

FY19 DHS CSAPS Annual Meeting Webinar Q & A

QUESTION	ANSWER
<i>Is the Analyzing IYS data training the Prevention First will offer not mandatory?</i>	<b>Analyzing and Sharing IYS data is not a required training but is encouraged.</b>
<i>Are there any promotional/educational materials for the environmental scan?</i>	<b>No, we do not offer any promotional/education materials for the environmental scan.</b>
<i>Can you please clarify what Shantel shared regarding area of service?</i>	<b>Service area is the geographic area in FY18 you were approved to serve by DHS. Your service area may be specific townships, counties, cities or towns. Your IYS Universe is all the eligible IYS public schools (schools having 8<sup>th</sup>, 10<sup>th</sup> or 12<sup>th</sup> grade) within your approved service area.</b>
<i>Where should Photos (Groupsite Question) be uploaded? Should photos of each events be uploaded in a specific space?</i>	<b>Photos can be uploaded to Groupsite under the “Share” tab. There are photo galleries within Share. Sharing photos is not required.</b>
<i>To be clear a budget revision is needed for any change over 10% or \$1,000 whichever is greater</i>	<b>Yes, that is correct.</b>
<i>If we did not request to do our own comm. campaign does that mean we are doing state sponsored comm. campaign and what does that mean (using state materials, etc.)</i>	<b>If you didn’t elect to plan for and implement a locally designed campaign you are required to plan for and implement a state communication campaign following the established standards and guidelines. The state campaigns have already designed materials available at no costs. These materials can be ordered on Prevention First website.</b>
