Phone:		Email:	

The Alcohol Policy Resource Center (APRC) provides training, education, resources, and tools on evidence-based alcohol policy and law enforcement strategies. Below are resources and guides available to help build capacity to prevent and reduce youth alcohol use in your community.

To order copies of these resources please complete this fillable form and email it to jody.heavilin@prevention.org or fax your request to (217) 793-7354.

Clicking the thumbnail images will take you to the downloadable version of the resources on the Prevention First APRC website
