

# **YOU'RE A LITTLE SWEET AND A WHOLE LOTTA SOMETHIN' SPECIAL.**

**You sure are something awesome! Underage drinking would certainly 'sour' your amazing self. Underage drinking creates a range of risks and negative consequences including impaired judgement, injury, and trouble in school. Underage drinking is just not a part of your picture.**

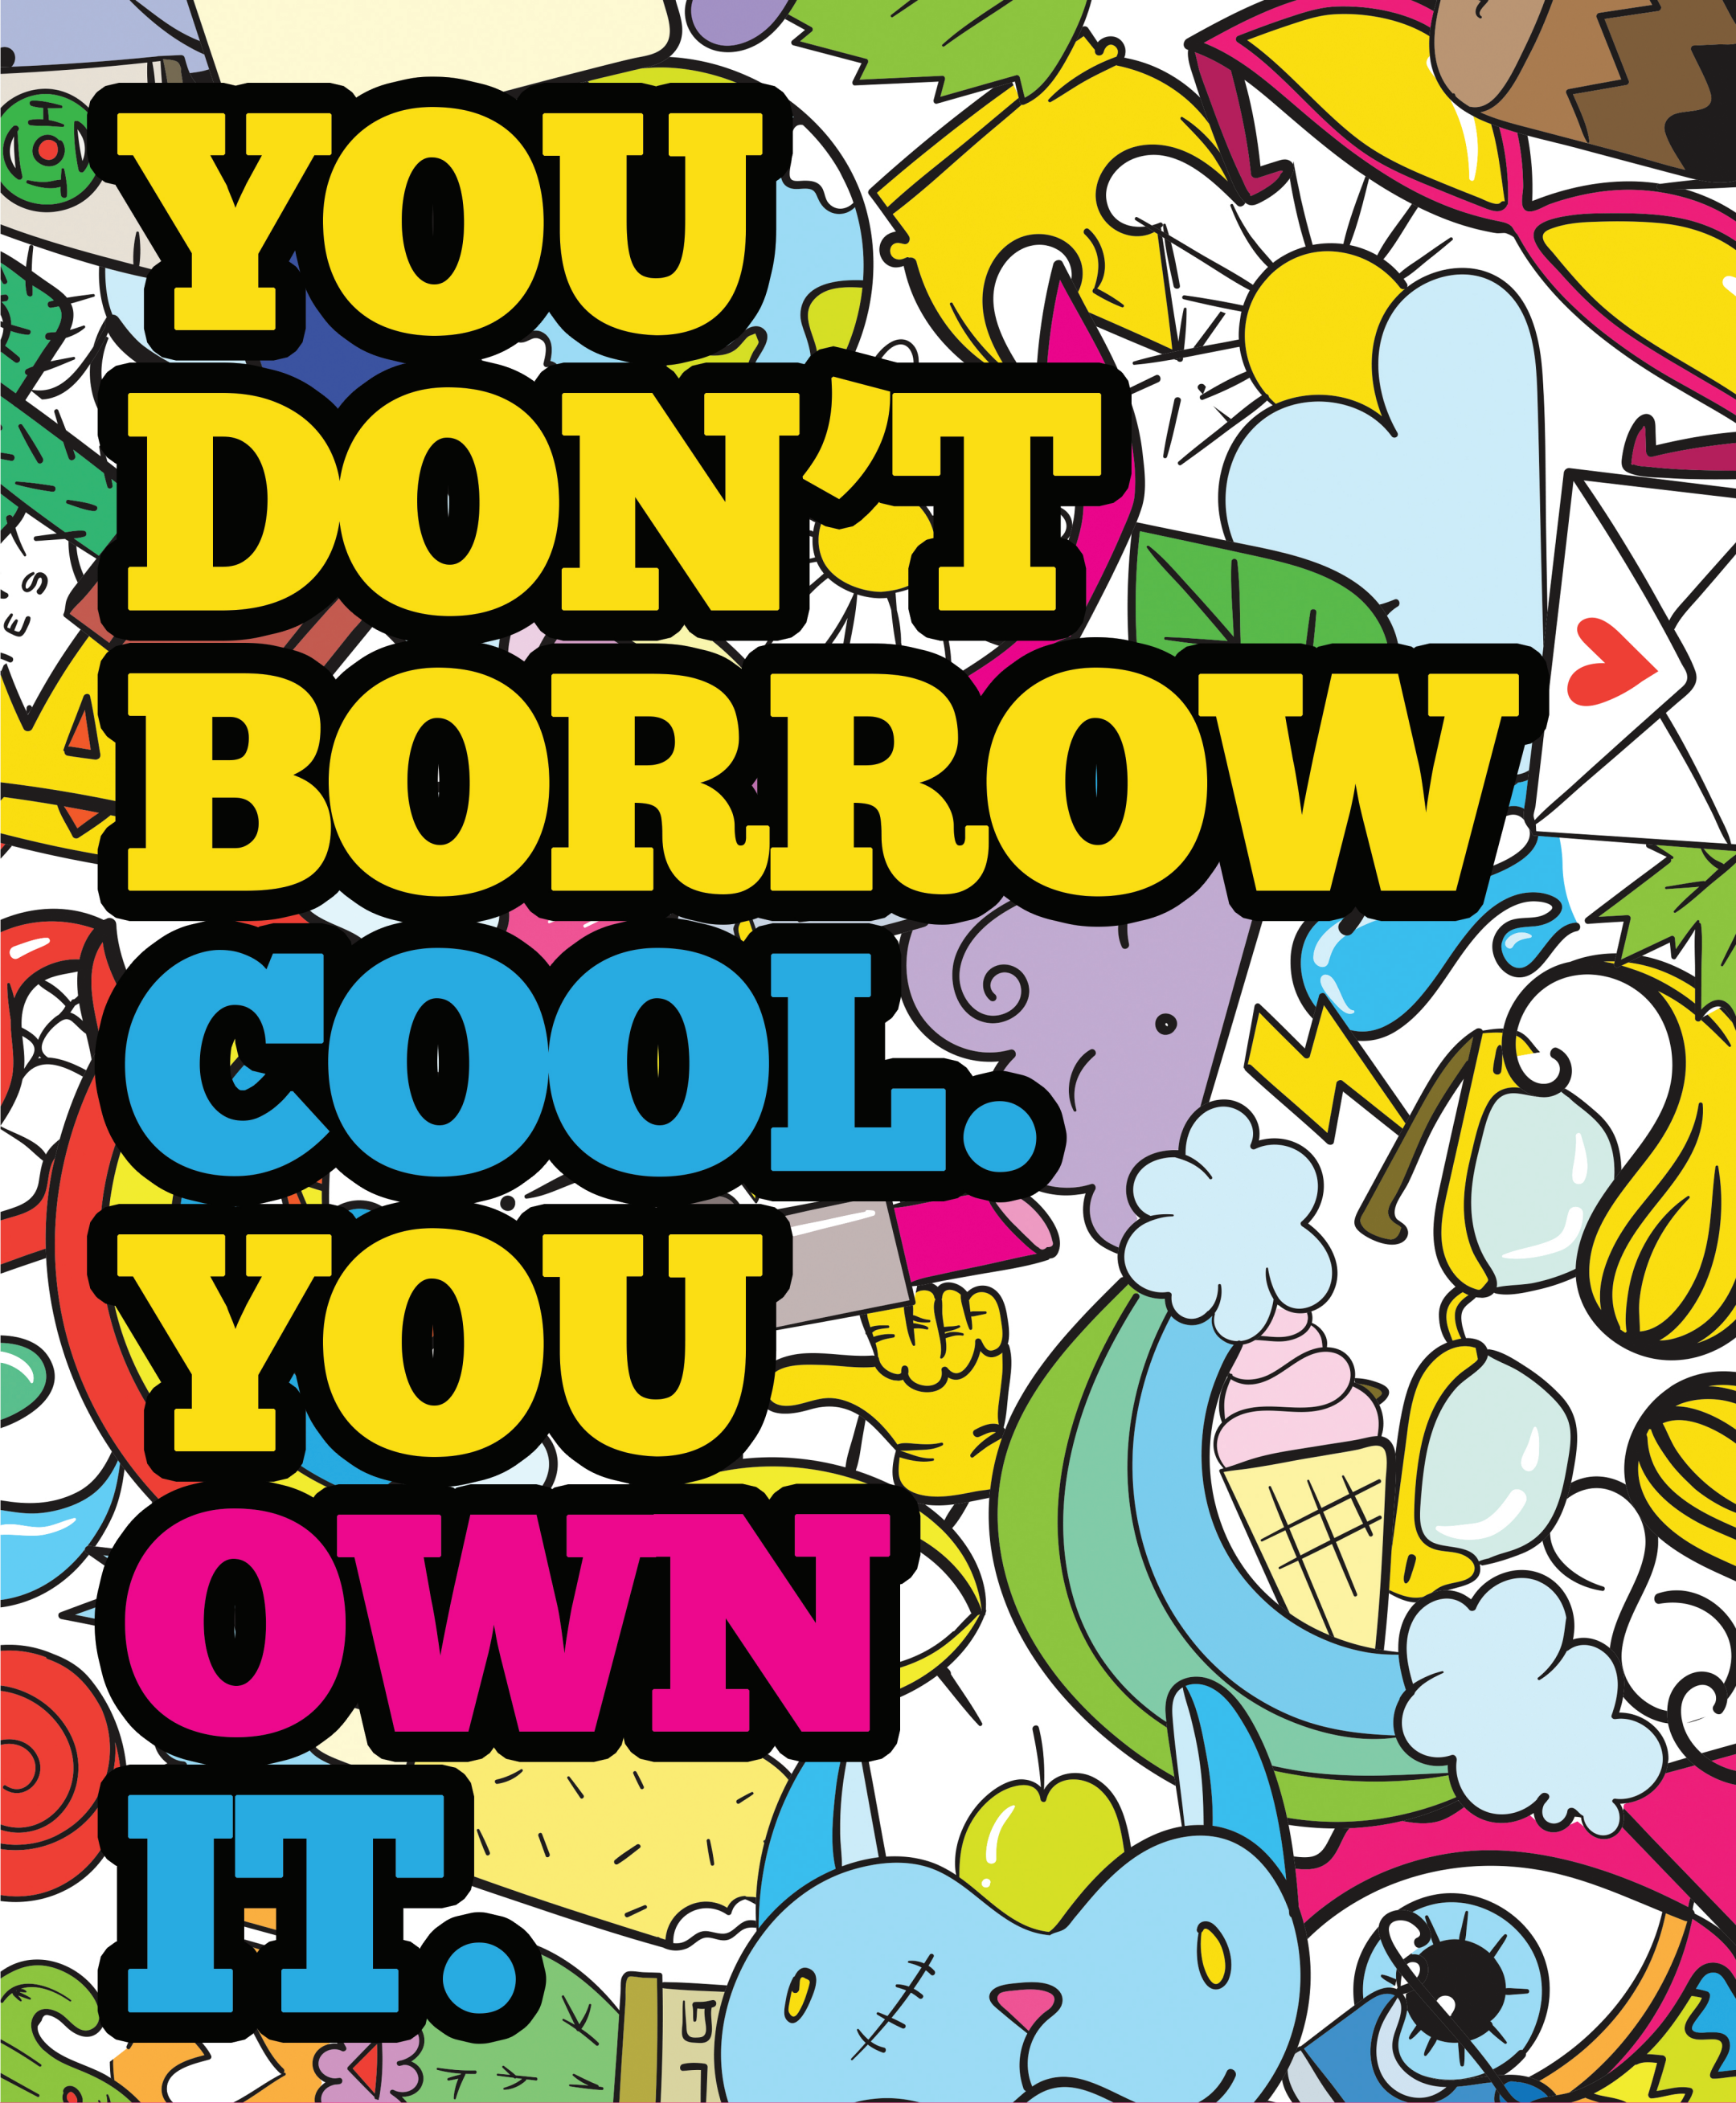

**NO  
ONE  
DOES  
YOU  
BETTER  
THAN  
YOU.**

**TBH underage drinking is just not for me. Risking my friends...my family...nope! I got my eyes focused on tomorrow and underage drinking is just not part of the picture.**

**You are “owning” your cool. There is no way you’re going to let drinking alcohol take that away. Risking friendships and health - NO WAY!**

**NO  
ONE IS  
COOLER  
THAN  
YOU.  
BE  
TRUE.**

**Whatever 'cool' is, You're it! You know what you want - good friends and happy days. You want things that will make you great. Underage drinking will take that away so, you're not into that. That's just one reason you're COOL!**

**IT'S  
THE WAY  
YOU DO  
THE  
THINGS  
YOU  
DO.**

**You are a good friend. You respect your teachers.  
You try your best every day and won't let stuff  
that jeopardizes that get in your way. Underage  
drinking is just not a part of your picture.**

**You have power and know how to use it. Knowledge about how underage drinking is super risky keeps you making good decisions about your own behavior. And that - unlike drinking alcohol - is truly cool!**

**You know what is important to you – kindness, respect and having fun. That’s cool. What’s not are things that risk your cool – like underage drinking. Alcohol can impair your judgement and lead to legal consequences. Underage drinking is just not a part of your picture.**

**Who defines cool? YOU DO! You make healthy decisions and protect what is good for you and your friends. Keep it up! Staying away from the things that risk your cool - like underage drinking - that's you!**
