

# I've heard it before, but now it seems different.

Underage drinking is harmful.  
It damages more than my body and mind,  
it actually puts my relationships at risk.  
My friends are important and risking  
their friendship is not worth the risk.

what's your  
reason?

underage  
 drinking  
 isn't cool.

**BECAUSE  
IT IS  
HARMFUL.**
